RENO, NV
5 AUGUST 2011

CALL TO ORDER - President Eberle
MINUTES - Secretary Schroeder
TREASURER'S REPORT - Treasurer Schoppe

OLD BUSINESS -

- a. By-Law Change - Members must be either an All American Member or an Annual Member for five (5) years or more before their dependents can apply for the Scholarship - PP Ron Rath. *A By-Law change was approved at the General Membership Meeting. Copies of the amended Educational Fund By-Laws and the updated Facts Sheet will be distributed to all Chapter Chairmen, Chapter Secretaries and the Board of Directors by Treasurer Schoppe prior to the 65th National Convention in Reno, NV, August 3-6, 2011.*
- b. Reprinting of the book "Ready" by Allen L. Langdon - Two questions were raised. 1) Is there enough interest to justify the cost of reprinting the book? 2) From where/how would the funds be raised to pay for the printing/distribution of the book? Treasurer Schoppe proposes that the Educational Fund finance the second printing as the book is considered rare and first printings sell for \$150-\$200 on the internet. However publishing costs are not known at this time.
